

Department of Defense

246.101

of Justice that the proposed sale would not create or maintain a situation inconsistent with the antitrust laws.

245.7311 Optional conditions.

The following special conditions of sale may be added at the option of the contractor:

245.7311-1 Sales and use tax liability.

For purchases of property subject to a state sales or use tax, a special condition of sale may stipulate that the Purchaser shall pay and the Contractor shall collect the amount of the tax, which shall be itemized separately on the billing document.

245.7311-2 Safety, security, and fire regulations.

245.7311-3 Bid deposits.

245.7311-4 Other special conditions.

Other special conditions considered necessary by the Contractor are subject to the prior approval of the plant clearance officer. Approval will normally be granted provided the prescribed conditions of sale are not altered or affected and the interest of the Government is not adversely affected.

Subpart 246.1—General

246.101 Definitions.

Metrology is the science of weights and measures used to determine conformance to technical requirements including the development of standards and systems for absolute and relative measurements.

Quality means the composite of material attributes including performance features and characteristics of a product or service to satisfy a given need.
